31) Retrenchment under T.a. The Reg^r reports that there has been a cut of 13% under this head while the Retrenchment Committee states that T.a. is not reduced by even 10% & that to secure a ten per cent cut Rs 850 the grant should be further reduced by 850.

No provision is made for T.a. to Hon^y Organisers in this year's Budget. The following shows allotment under T.a. to Officers & Estt of the Deptt for 31-32 as compared with that for 30-31:—

36 What exactly is the proposal of the Retrenchment Committee in regard to reductions in the gazetted staff of the Department is not clear. One Assistant Registrar's post on Rs 200-25-450 was replaced by one on Rs 150-20-250 on the death of Mr. P. A. Krishnaswami Iyer. The appointment of an Assistant Registrar on Rs 150-20-250 is proposed to be abolished by forming Chitaldrug and Tumkur into one Division under an Assistant Registrar. The Registrar has stated that further reductions in the gazetted staff are not practicable. The question may be further examined on receipt of the full report of the Retrenchment Committee.

39 The Registrar has stated that no reduction in the ministerial staff is possible as the Tumkur and Bangalore Division Offices require strengthening. The abolition of the separate Division Office for Chitaldrug should result in some retrenchment o f the ministerial staff and the Registrar may be requested to effect it.

40 The Committee's proposals for the abolition of the 4 temporary Assistant Inspectors for Depressed Classes Societies, and, of one Agricultural Inspector and one peon for agricultural co-operation in Shimoga, have already been accepted. Against the abolition of 7 servants suggested by the Committee, the reduction actually effected is 8.

NOTE—Contn. Sheet.

The

WD 94554—G PB—50,000—8 7 30

45 The proposal of the Committee regarding travelling allowances to Honorary Organizers, has been accepted by the deletion of the provision therefor.

46 The Committee suggest the deletion of the provision of Rs 500 on account of development of Depressed Classes Societies. If the Registrar has expressed any opinion on this point, the connected references may be put up.

47 A further reduction of Rs 850 under Travelling Allowances suggested by the Committee, might be made. The new rates and rules will make this retrenchment possible.

48 A reduction of Rs 300 under contingencies has to be made owing to the abolition of the Chitaldrug Division Office and the consequent saving in office rent of Rs 25 a month. This is about the reduction in contingencies recommended by the Retrenchment Committee. This suggestion of the Committee also might therefore be accepted.

49 The Registrar proposes that the Magic Lantern Lecturer might be continued and his pay met from savings effected by retrenchments. These savings are required for improving the financial position and they cannot be re-allotted for expenditure. As already ordered by the Second Member, the appointment of the Magic Lantern Lecturer may be continued only if the Registrar can point out a source for meeting the cost. The Registrar should also try to absorb the incumbent of this office in a suitable vacancy.

No. 620 D/- 30.7.31
Points out certain possible retrenchments & calls for a Report thereon

REV. SECRETARIAT.
5 AUG. 1931
DEVELOPMENT BRANCH.

10 From the Rev. C. No 1294 D/- 1/8/31 Submits the report called for in 9 above.

(5) Submitted. 54 Replies of the Rev. C. to the several points raised in 8 & 9 are noted below:—

1) Savings under ~~the~~ "Contingencies - Office rent":-

NOTE—Contn. Sheets.

The Expenditure under this head already incurred for the Chitaldrug Dt Office is reported to amount to Rs 75 during the current year — Savings therefore under this head will therefore be Rs 225 & not 300 as originally estimated.

2) Savings under "T. a":— The Rev: reports that out of this year's allotment of Rs 900 under this head for the Chitaldrug Dt Office Rs 197-11 has been spent so far. Against the balance of nearly Rs 700 the following charges have to be met:—

(a) T. a. charges to Offr transferred from the Chitaldrug Dt Office, have to be met.

(b) The Asst Rev Tumkur will have to incur larger expenditure because of the larger extent of the Combined Tumkur Co-operative Dn.

(c) The allotment for the current year is so much curtailed that even under the revised T. a Rules, it will not adequately meet the requirements of the Dept.

The Rev: promises however to make economies under this head as far as possible & will report what amount can be surrendered three months' hence. This report will if approved be awaited.

3. Curtailment of Ministerial Staff.

Out of the Staff on the establishment of the Chitaldrug Dt Office the Rev: states that,

(a) the Tumkur Dt Office should be strengthened because of the larger number of Societies brought under its jurisdiction — i.e. by adding on to it of at least one clerk on Rs 25-2½-50-

(b) the work in the Bangalore Dt Office demands the entertainment of an addl clerk on Rs 30-3-60

General and Revenue Secretariat

Co File No. 128 of 1930.

Serial No.	
	Against this proposal it may be mentioned that when a proposal for strengthening the Bangalore Dt. Office was received last time it was vetoed vide No D 10392-3/ss 94-30-8 18/31. If it is now considered necessary that the question of strengthening the ministerial Estt of this Dt should be taken up again information under the following heads will have to be called for if appd:— "Statistics of the Bangalore Dt. Office

Heads of Business.	Before the formation of the Kolar Dt	After its formation.

2. " of Receipts		
3 " of Issues.		
4 " of Suits filed — (a) Contested (b) uncontested.		
5. " of decrees issued.		
6. Ministerial Estt. (furnishing details as to distribution of work).		

(C) The Mer clerk's post in the Chitaldrug Dt. Office, the Rev. Suggests may be transferred to his Office with a view to provide for the magic Lantern lecturer. It is for orders whether it is necessary to "revive" an abolished appointment only to provide for a temp. official who would otherwise be without any

NOTE—Contn. Sheet.

permanent footing (vide para 3 of flag I & para 26 & 45 of the above)

55 Briefly the points for orders are: —

1) Whether Addl Estt should be ~~sanctioned~~ sanctioned for the Tumkur & Bangalore Dn Offices;

2) Whether ~~it~~ it is necessary to call for Statistics as noted above about the Bangalore Dn Office.

3) Whether the post of a clerk of the Chitaldrug Dn Office should be transferred to the Regr's Office "with a view to provide for the magic Lantern lecturer".

4) Whether the further report promised by the Regr in regard to the amount that he will be able to surrender under T. a. may be awaited.

20/8

56 The Manipoints for consideration are: —

1) Retrenchment in Ministerial Staff: — One of the three clerks next quoted in the Asst Regr's office, Chitaldrug Dn, it is seen from the Regr's report that one is a temporary hand with only 7 months service. His appt may be retrenched and the services of this clerk dispensed with. Of the other two one is Hd. Clerk on 40-5-75 and the other is clerk on 25-2½-50. The Registrar proposes that this clerk may be given to Tumkur Dn where work will increase. This is reasonable and may be sanctioned. As regards the Hd. clerk on 40-5-75 the Registrar proposes to convert this into a clerks post on 30-3-60 and the present incumbent fixed at Rs 54/- and given to the B'lore Dn as work in the B'lore Dn is heavy. The proposal to give an extra clerk to B'lore Dn having been rejected so recently as

General and Revenue Secretariat | File No. | of 193 .

as they last it is a matter for consideration whether the question can be reopened now. If the Repr. have failed to work in B'lore Dn to leave he could propose taking away one hand from the Kolar Dn where the no. of Societies is less than half the no. in the B'lore Dn and give it to the B'lore Dn. This will entail no extra cost to Govt and will perhaps be accepted by Govt also. The Repr. has proposed that the Magic Lantern Lecturer Mr. David may be made permanent in the clerk's post on 25-2½-50 retrenched. This cannot be accepted as it was made very clear in para 3 of the D. Secy's letter to him dt 29.7.31 that the appt may be continued only if a source other than the savings effected by retrenchments "could be pointed out and that "endeavour should be made to absorb the incumbent of the office in a suitable vacancy early." If the Repr's proposals are accepted it tantamounts to effecting no retrenchment in the ministerial staff.

2. Retrenchment under T.A. The Repr. says that it is not possible just now to say how much can be economised. The only two items of expenditure under this head are (1) T/a to clerks on tours and (2) Increased T/a to the Translator to the Repr. on account of increase in jurisdiction. It is not very difficult to gauge the expenditure under these heads. For no (1) Rs 50 or Rs 60/- is the most that would be required and for no (2) an additional allotment of Rs 200/- ought to suffice. Thus in all

NOTE—Contn. Sheet.

WD 02553—G PB—50,000—8-7-30

Rs 250 or Rs 260 will be required and Rs 700/- remains available. To err on the safe side Rs 300/- may be given and Rs 400/- retrenched.

(3) Retrenchment under Contingencies.

The Asst has reported that out of Rs 300/- provided under house rent Rs 75/- will have to be paid - the Sanyo Guides Mr Reed is on Rs 225/-. Apart from Mr Reed is the "Other Contingencies" for which a provision of Rs 3500/- is made in the current year's budget and out of which the Asst would surely have allotted some amount for the Chitaldrug Dn. Allowing some amount extra for the Tumkur Dn on account of the present amalgamation of Tumkur & Chitaldrug Dns it ought to be possible to save some amount. As the whole it would not be incorrect to say that Rs 300/- shd be saved under "Contingencies".

Note on the Regr's proposals for further retrenchment.

H Subd - Orders have to be issued on the proposal to abolish the Dy Regr in the Kolar Dist office and place the Charge of the work. The Regr. proposes that the Asst. Regr. Kolar may be reverted to the Rev. Dept as Asst. Commissioner (Civil Service). The office establishment of the Kolar Dist is proposed to be retained, and will probably have to be transferred

72 A draft letter to the Registrar C.S. as directed in para 70 above and a draft G.O. sanctioning the abolition of the Kolar Dy. Sc. ~~Comptroller~~ ~~in addition~~ are put up for approval.

75 When the Registrar had discussed the matter yesterday, I discussed the question of retrenchments in the staff of the Kolar Dy. office proposed to be transferred to Bangalore. The Registrar pointed out to me that as the entire work of the Kolar Dy. would devolve on the Dy Regr, and as the staff employed at Kolar would be wholly required for work connected with the Kolar Circle in Bangalore

I beg to point out that the abolition of appointments as noted in the margin have reacted very hard on the Civil Service. The Civil Service has thus lost 6 places which were open to it.

The following proposals are now under the consideration of Govt (or orders are about to issue)

Already decided upon. orders issue when issue. But we have kept the file open until pending orders on this. ← (1) abolition of the post of Asst. Regr. at Kolar

(Heavy Contrs ← (2) Combine the duties of P.A. to D.C., Mysore & those of Sp. Land Acqn. Officer and then retrench one Asst. etc. place.

This raises the no. of places lost to eight and there will be further losses when the Deccan and party return from Europe & when the officers working on Central duty revert to the General line.

I calculate that the total no. of places which the Civil Service will loose will be about one dozen. Such sudden and whole sale reduction cannot but have an unwholesome effect on the general services & unwholesome effect on the Civil Service. When to the effect of its retrenchment, one adds the effects of the recent increase in income tax, the still more recent cancellation of allowances and the impending entire Salary cut, one can see that the Civil Service has been hard hit and stands in need of some relief.

It seems to me that such relief can be given - without serious affecting the retrenchment results of the retrenchment - if its are introduced gradually instead of all at once so as to permit of the men affected being absorbed in suitable vacancies without undue waiting. For instance which GOI may decide upon the abolition of both an Asst Regr of C.S. and the P.A. to the D.C. of Mysore, its may give effect to the orders one at a time. In this particular case, I would also suggest that instead of letting the retrenchment affect the civil service, we may elect affect the Corpn dept by reverting one of the Europeans promoted as A.R.

As further measures of relief, I would suggest that all extensions of service now granted should be cancelled, that no extension of such service should be granted hereafter, that vacancies should be permitted to be filled up, [illegible] and that the restrictions on leave recently imposed should be relaxed.

These suggestions involve a departure from the present orders but its appear to me require consideration.

The Chief Secretary's note raises several points, some of which are important questions of policy.

There is no doubt that the adoption of retrenchment measures in quick succession affect the prospects of officers in the Departments concerned. The Civil Service is not the only service which will be hit by the abolition of appointments or reduction in emoluments. I may mention as an illustration in point that out of about 19 Gazetted Officers in the Account Department 8 have been retrenched. Account Officers who held gazetted charges for over three years on the temporary footing have been reverted to non-gazetted places. I do not know if the position in the Civil Service Cadre is worse than this.

We are passing through a financial crisis and it is very necessary that whatever retrenchments in staff are possible should be given effect to without delay. The financial position should be righted as quickly as possible, and in the larger interests of the State, hardship to individual officers to which the Chief Secretary refers is inevitable.

As regards the retrenchment of an officer in the Co-operative Department, I venture to point out that the Civil Service cadre provides for the appointment of only one Civil Service Officer in the Co-operative Department. As there is one such officer in the Department in Mr. Ganapathi Iyer, I do not think that there can

'General and Revenue Secretariat | File No. of 193

Serial No.

can be any objection to the other Civil Service Officer (whose appointment is retrenched) being withdrawn.

As regards the general questions referred to by Mr.Ranga Rao, I am inclined to think that after the contemplated orders issue on the reduction of salaries of officers, the cumulative effect on the services of the several retrenchment measures adopted will have to be reviewed with a view to suitable relief being afforded in cases of extreme hardship.

Page 7 of Office note. ✓

After an examination of the possibilities of effecting further economies in the Co-operative Societies Department, it is proposed to abolish the charge of the Assistant Registrar, Kolar Division, and place the Deputy Registrar in additional charge of this division, as a temporary measure, with a suitable readjustment of the clerical and menial staff. The post is now held by an Assistant Commissioner, who will be withdrawn from the Department and provided for elsewhere.

2. In this connection, it is submitted that as a result of the retrenchments effected in the various Departments recently, the strength of the Civil Service Cadre has been reduced and several officers who had been acting as Assistant Commissioners for long periods had to be reverted. With a view to allay discontent in the service that might be caused by a further reduction of the posts open to the Civil Service, the question of temporarily posting Civil Service Officers to non-Civil Service posts on the occurrence of vacancies was examined. It is found that in the Police Department there is at present a dearth of suitable officers in the subordinate Departmental service fit for promotion, and it will be in the interests of the Department to post a Civil Service Officer as Superintendent of Police on the retirement of Mr. J.E. Dunning in March 1932. This will mean a temporary increase in the Civil Service Cadre of the Police Department against a corresponding vacancy in the non-Civil Service Cadre.

Sir,

128-30-6

With reference to your letter No.D.11201/C.S.94-30 dated 26th June 1931 in the matter of further retrenchments in this Department, I have the honour to state as follows:-

I have already indicated in my letter No.6842/C.S. dated 16th June 1931 the possibilities of further retrenchments in respect of officers. The Budget Estimate for 1931-32 under officers salaries is Rs 44,760/-. By the proposed reduction of one of the Divisional Offices, as indicated in my letter above referred to, the cost comes to Rs 39,660/- as noted in the margin resulting in a savings of Rs 5,100/-. No further retrenchment is possible.

1. Registrar	1,200 × 12	14,400
2. Deputy Registrar	550 × 12	6,600
1. Mr.K.Subba Rao	450 × 12	5,400
2. " M.D.Venkate Urs	425 × 12	5,100
3. " T.Venkataramanaiya	210 × 12	2,520
4. " D.Krishna Rao	210 × 12	2,520
5. " J.B.Mallaradhya	260 × 12	3,120
		39,660

The possibility of reduction in the ministerial and menial ranks has already been examined and I have proposed in my letter No.6842 above referred to that the posts of eight menials may be retrenched. No retrenchment in the ministerial ranks is possible as the ministerial staff of the combined office of Tumkur Division will have to be proportionately strengthened and the Assistant Registrar, Bangalore, given a fourth clerk to cope up with the enormous increase of work in that office.

With regard to travelling allowance, it may be observed that in the budget estimate for 1930-31 the grant was Rs 29,500 including T.A.

to

12

to Honorary Organisers while the revised estimate provided for Rs. 30,500/-. As against this, the Budget for 1931-32 makes a provision of only Rs. 26,500/- which means a reduction of nearly 13 per cent.

Regarding contingencies, I have to state that the provision of Rs. 3,526/- or the previous year was made on the basis of four Assistant Registrars' offices only which was raised to six during the middle of the year but now the number of Assistant Registrars offices is proposed to be fixed at five. Hence, no further reduction is possible in this respect. But with regard to Rents and Taxes, if the Chitaldrug Division office is temporarily abolished as proposed, the office rent of Rs. 25/- per month that is being paid for that office will be saved.

In view of the retrenchments that have already been effected, it is not possible to absorb the Magic-lantern Lecturer in the near future. Government may be pleased to order the continuance of the post and the cost may be met out of the savings of Rs. 5,100/- under salaries referred to above.

I have the honor to be,
Sir,
Your most obedient servant,

K H Ramaya

Correspondence ending with letter No.6842 Cs. dated 16th June 1931 from the Registrar of Co-operative Societies in Mysore submitting proposals for effecting retrenchment in the number of Assistant Registrars of Co-operative Societies.

Order No. D 617-19 / Cs. 128-30-8

Dated Bangalore, the 29th ~~August~~ July 1931.

With aview to effect savings in the establishment of the Co-operative Department, the question was examined whether the Chitaldrug District, formed into a new division in Government Order No.D.4294-5/Cs.163-28-10 dated 25th October 1930, could not be combined with Tumkur and the combined Division placed under an Assistant Registrar. The Registrar is agreeable to try this combination as a temporary arrangement. Government are accordingly pleased to direct that the post of an Assistant Registrar on Rs.150-20-250 and the menial establishment attached to the Chitaldrug Division be abolished with effect from 1st August 1931.

The Registrar's proposal to retrench a peon from each of the other Division Offices except Kolar is also sanctioned with effect from the same date.

D.Srinivasa Iyengar,Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore.

Sir,

With reference to your letter No.D.620/C.S.128-30-9 dated 29th/30th July 1931 in the matter of effecting further economies in expenditure consequent on the abolition of the Office of the Assistant Registrar,Chitaldrug Division, I have the honour to state as follows:-

As regards office rent, of Rs.25/- per month sanctioned for the Chitaldrug Division Office, the lease of the building in which the office is located was sanctioned in Government Order No.D.762-2/C.S.71-30-2 dated 20th January 1931 for a period of one year from 15-11-1930. Notice has been given to the owner that the building will be vacated on 15-8-31 but if he insists on a month's previous notice, the rent will have to be paid to him till the end of August 1931. The expenditure on account of rent in the current year's budget will be Rs.75/-(for the months of June, July and August), resulting in a savings of Rs.225/- under rents, rates and taxes.

Regarding Travelling Allowance, I beg to state that out of the total provision to the Department, a sum of Rs.900/- had been allotted to the Chitaldrug Division (Rs.600/- for Officer and Rs.300/- for Establishment) out of which Rs.197-11-0 has been spent so far, as one bill of the previous ~~officer~~ year was pending and had to be encashed during the current year. Out of the balance, the Travelling Allowance to the officials on transfer consequent on the abolition of the Office will have to be met, and a portion will have to be allotted to the Assistant Registrar of the Tumkur Division to meet the heavier T.A.charges caused on account of the increase in jurisdiction. I may also state that the provision of Travelling Allowance to Officers and Establishment even under the new rules is inadequate and so it will not be possible just now to say how much can be economised,

economised, under this item. I may add that all possible economies will be secured and the question as to how much of the provision can be surrendered will be examined after seeing how the new Travelling Allowance Rules work during the next two or three months.

Regarding the Ministerial Staff, I beg to state that the Chitaldrug Division Office had an establishment of 3 Clerks, viz., one Head-Clerk on Rs.55/- in grade Rs.40-5-75 and two clerks on Rs.25-2½-50. In view of the fact that the Chitaldrug District consisting of 228 societies will now be brought under the administrative control of the Assistant Registrar, Tumkur Division, it will be necessary to strengthen the said office by the addition of at least one Clerk on Rs.25-2½-50. Similarly, the Bangalore Division Office, which has at present 481 societies under its control, and has a staff of only 3 Clerks, which is totally inadequate to cope with the heavy suits and other work of that Division, has to be given an additional Clerk. A comparative statement showing the number of societies and the Ministerial Staff in each Division is given below:-

Name of Office.	No.of societies on 30-6-31.	Strength of the Ministerial Staff attached to the Office.
1.Bangalore Division	481	One Head Clerk .. Rs.40-5-75 Two Clerks .. Rs.25-2½-50 Total 3 hands
2. Kolar Division	237	One Head Clerk .. Rs.40-5-75 Two Clerks .. Rs.25-2½-50 Total 3 hands
3. Mysore Division	535	One Head Clerk .. Rs.40-5-75 Four Clerks (of whom one is temporary) 25-2½-50 Total 5 hands.
4. Shimoga Division	404	One Head Clerk Rs.40-5-75 Three clerks Rs.25-2½-50 Total 4 hands
5. Tumkur Division	307	One Head Clerk Rs.40-5-75 Two Clerks Rs.25-2½-50 Total 3 hands
6. Chitaldrug Division	228	One Head Clerk Rs.40-5-75 Two Clerks Rs.25-2½-50 Total 3 hands

From the above it will be clear that the Ministerial Staff of the Office of the Assistant Registrar,Bangalore Division, and

the combined Office of the Tumkur Division requires strenthening by at least one hand each. A copy of letter No.5124/C.S.dated 12th June 1931 received from the Assistant Registrar, Bangalore Division, pointing out the necessity for the increase in his Staff is also herewith enclosed for the information of Government.

Government have ordered that the post of the Magic Lantern Lecturer may be continued if he could be absorbed in any vacancy. In view of the fact that he has been in the Department since 24th March 1927 and has been drawing Rs.45/- since 1-7-1930, I propose that the remaining third post ~~by~~ of the Chitaldrug Office be transferred to this office, and Mr.David absorbed in the said post, the services of the present incumbent thereof who has not been confirmed and who has put in only 7 months' service being terminated with effect from 15-8-1931.

The absorption of the Magic Lantern Lecturer as above, leaves only two Clerks, one on Rs.40-5-75 and one on Rs.25-2½-50, for being given to the Bangalore and Tumkur Offices. The Clerk on Rs.25-2½-50 may be straightaway transferred to the new Tumkur Division. But, with regard to the post on Rs.40-5-75, in which the present incumbent is drawing Rs.55/-, I beg to point out that the post as such cannot be transferred to the Bangalore Division Office, in as much as the scale of pay of the Head-Clerk of the Office is fixed at Rs.40-5-75 and it is not desirable to have both the Head Clerk and another Clerk on the same pay viz., Rs.40-5-75. I therefore propose that the Chitaldrug Division's Head Clerk's post be converted into a post on Rs.30-3-60 and the incumbent fixed on Rs.54/- in the said grade. This will result in a net savings of Rs.161/- per annum being the difference in the average cost of the appointments on Rs.40-5-75 and Rs.30-3-60, in addition to the savings of the pay of the Magic Lantern Lecturer. I therefore request that the above proposals re: the absorption of the Magic Lantern Lecturer in one of the available posts and the strengthening of the Offices of the Assistant Registrars of Bangalore and Tumkur by one hand each may be approved.

If the above proposals are sanctioned, the distribution of

(21

of the Ministerial Staff of the Department will be as indicated below:-

I request that the above re-distribution of hands may be sanctioned.

With regard to the fourth para of your letter calling for a report regarding the Retrenchment Committee's proposal to further reduce the grant under "Development of Depressed Classes Co-operative Societies" by Rs.500/-, I beg to state that the grant provided

(72

provided in the current year's budget for this purpose is only Rs.1000/-, which is only a half of the previous year's grant. There are over 250 Depressed Class Societies in the State and the grant of bonus to Secretaries of Depressed Class Societies who do good work is very necessary. It may be mentioned that Government had till now given a Staff of four Assistant Inspectors of Depressed Class Societies on Rs.40/- each to be in charge of Depressed Class Societies in select centres to work as their Secretaries etc., This Staff costing Rs.2400/- to Government has been retrenched and I agreed to this retrenchment in the hope that sufficient provision would be made for helping the Adikarnataka Societies by the grant of bonuses, supply of agricultural implements at half cost etc. The present grant of Rs.1,000/- is hardly adequate for meeting the demand which I consider as legitimate and I am therefore of opinion that no further reduction in this respect should be made in the interests of the Adikarnataka Societies and their further development. I therefore request that the grant of Rs.1000/- may be left intact.

I have the honour to be,

With reference to Memo No.6417-18/C.S.dated 26-5-31, forwarding a copy of G.O.No.D.10392-3/C.S.94-30-8 dated 18th May 1931 declining the continuance of the post of the Pro-rata Clerk on a pay of Rs.25-2½-50 in view of the decrease in the number of societies in this Division, I have the honour to state as follows:-

Before the bifurcation of this Division into Bangalore and Kolar Districts, the number of Clerks working in this office was 5. The number of societies then existing was 637. After the bifurcation was effected, Mr.N.Srikantayya, the second clerk was transferred as Head Clerk, Chitaldrug Division, leaving only 4 clerks including the Pro-rata Clerk whose post has since been abolished. The retrenchment of one Clerk was effected in consquence of the decrease in the number of societies, relating to Kolar Division. To compensate for this decrease in work, the charge of the societies in City area which was hitherto under your direct control, has been transferred to this office. The total number of societies, therefor including this additional charge and the societies newly registered is 491. Besides this, the work relating to the adjustment of the heavy arrears due to the Central Co-operative and Apex Banks is increasing day by day. In view of the heavy number of suits(as many as 535 for the 5 months ended 31st May 1931 were taken on file)that are filed in this office, the work connected with suits section has also increased to a great extent. One Clerk is solely engaged with the entertainment of suits and the issue of summons and such other miscellaneous work connected therewith, so much so that the work relating to the writing of decrees and the despatch of the same to the authorities who execute them has been entrusted to other clerks. The work apportioned to them being itself heavy, they are very much handicapped to cope with the increasing nature of the work. In view of the above circumstances, when anecessity for an additional clerk was keenly felt, the retrenchment of the post of the Pro-rata Clerk has seriously undermined the efficiency of the Office. For a total number of societies 223, 303 and 207 in Kolar, Tumkur and Chitaldrug Divisions respectively, the Clerks sanctioned for these Offices

(24

Offices are 3 each. It is but fair that this office which has to deal with 491 societies and 800 suits nearly which involve a great amount of Clerical work at every stage of their disposal should be provided with 4 Clerks at least.

In view of the peculiar feature of the heavy indebtedness of societies in this Division and the number of societies which are nearly 500 in number, I request that Government may kindly be moved to sanction the continuance of the post of the Pro-rata Clerk on a pay of Rs.25-2½-50 since abolished.

Neither the Inspectorate nor the clerical and menial staff can be reduced further as they have got already a heavy charge. The post of the Deputy Registrar is absolutely necessary so as to exercise proper supervision over the Land-Mortgage operations and see to the proper investigation and scrutiny of loan applications etc. The only other alternative to be thought of, if absolutely necessary, is the Kolar Division office. The charge is a light one. Prior to the formation of the Bangalore Division in 1923, the Kolar District was under the direct charge of the Registrar. Now as a temporary measure this ~~combination may be tried~~ District may be given to the Dy. Registrar, but this should not mean the retrenchment of any clerks of the Kolar office as otherwise the work cannot be carried on. The present Assistant Registrar, Kolar, may be reverted to the Revenue Department as Assistant Commissioner (Civil Service) and the post of Assistant Registrar kept vacant until further orders. This will result in a savings of about Rs. 3,600/- in salaries and Rs. 300/- in house-rent. Thus nearly Rs. 4,000/- can be saved. No other source can be thought of.

	Total	Rs 27,610

Thus the budget grant for 31-32 is less than that for 1930-31 by about Rs 27,610/- and no further retrenchment is practicable. It may be noted that out of the budget provision for 31-32, Rs 11,000/- is a grant to the Land-Mortgage Bank which is only a temporary one and as soon as the Bank stands on its legs, the necessity for such a grant will cease altogether. Thereby the expenditure now charged to the Department will be reduced by that extent.

The Inspectorate.

There are at present (i,e. on 30-6-31) 2,213 Co-operative Societies in the State. The number of Inspectors is 42. Fifty societies per Inspector is the irreducible minimum. At that rate there ought to be 44 Inspectors. But in view of the present financial stringency, I have to manage with only 42. The Retrenchment Committee was also of the opinion that the Inspectorate cannot be reduced. The Probationery Inspector is necessary to serve as a reserve for being in charge of Circles when the Inspectors take leave etc. Otherwise Circle work suffers.

DEVELOPMENT SECRETARIAT
6 OCT 1931

To

B.T.Keshava Iyengar, Esq., B.A.,
Secretary to the Government of Mysore,
Development Department, Bangalore

Sir,

With reference to the discussions I had with the Member of Council the Financial Secretary and yourself, on Monday the 21st September 1931, the matter of effecting further economies in the working of this Departme I have the honour to state that, as has already been represented by me, in the interests of efficiency and progress of work of the Co-operative Department, it is not possible to effect any further retrenchment except as an emergency measure for a purely temporary period. On this basis, I beg to submit the following proposals for the consideration of Government to be in force temporarily for a period of one year:-

There are at present five Co-operative Divisions, each in charge of an Assistant Registrar as noted in the margin. Of these five Assistant Registrars, one belongs to the Civil Service Cadre (i.e., in grade Rs.250-25-450), two are in the Non-Civil Service Cadre (Rs.200-25-450), and two in grade Rs.150-20-... With a view to secure the maximum amount of financial economy during the year, I propose that Mr.J.B.Mallaradhya now in charge of the Kolar Divisi in grade Rs.250-25-450 may be reverted to the general line.

	No. of societies on 30-6-31.
1. Bangalore Division, (Bangalore District only).	487
2. Mysore Division. (Mysore and Hassan Districts)	549
3. Tumkur Division. (Tumkur & Chitaldrug Districts)	536
4. Shimoga Division. (Shimoga and Kadur Districts)	404
5. Kolar Division. (Kolar District only).	237
	2,213

The Kolar District was constituted into a separate Division in Gover ment Order No.D.4294-5/C.S.163-28-10 dated 25-10-1930 with a view to -

to develop the Movement in the District which is markedly backward in this direction. The reasons for constituting this new Division have been fully explained by me already to Government and on the present occasion, I need only state that they continue to hold good with full force and it is not possible to abolish the Kolar Division permanently. In view of the imperative need for effecting further retrenchment now, I propose that the Kolar Division may be abolished temporarily for a period of one year with effect from 1st November 1931.

As regards work, I propose as the arrangement is a temporary one that the Deputy Registrar of Co-operative Societies may be in direct charge of Kolar District Societies in addition to his own work as this arrangment will secure better results than the adding on of Kolar District to the Bangalore Division Assistant Registrar. If this is approved, the Deputy Registrar may take up the inspection work pertaining to the Districts of Tumkur, Kolar, Kadur and Shimoga, instead of Tumkur, Hassan, Kadur and Shimoga, as sanctioned in Government Order No.D.1627/C.S. dated 17th/18th September 1931.

As regards the Divisional Office, the Ministerial and Menial Establishment of the Kolar Division Office consists of 3 Clerks and 4 peons as noted in the margin.

One Head Clerk on .. Rs.40-5-75.
Two Clerks on .. Rs.25-2½-50
Four peons on .. Rs.11/-each.

Of the menials, two are the personal orderlies of the Assistant Registrar and two are attached to the office. As the whole office will be abolished, a separate Section will be constituted as part of my office for dealing with the Kolar District work, to which the Ministeral Staff of the Kolar Office will be transferred. This will facilitate the retransfer of work to the Divisional Office when it is restored after one year. As the Clerks are all permanent hands, no reduction in the Ministerial ranks is possible. The strength of the menial establishment may however be reduced by 3, so that, the remaining hand may attend to the office work, as it will not be possible for the present menial establishment of this office to attend to the work of the additional Section also.

If these proposals are accepted, there will be a savings of

of Rs.265/- per month under salaries, Rs.33/- under the Menial Establishment, Rs.25/- under house-rent and about Rs.20/- under other contingencies. To sum up, my proposals are:-

(1) That the Kolar Division Office may be abolished temporarily for a period of one year.

(2) That the place of an Assistant Registrar in grade - Rs.250-25-450 may be retrenched.

(3) The Deputy Registrar of Co-operative Societies may be in direct charge of Kolar District work in addition to his duties as a temporary measure, the inspection work pertaining to the Districts of Tumkur, Kolar, Kadur and Shimoga being entrusted to him instead of Tumkur, Hassan Kadur and Shimoga as already ordered.

(4) Three Menials attached to the Kolar District Office may be retrenched.

I request that Government may be pleased to sanction these proposals early, so that, I may give effect to the - retrenchments by the 1st of November 1931 at the latest, as the arrangements for the transfer of the Division Office work will involve some time.

I have the honour to be,
Sir,
Your most obedient servant,

K H Ramaiya
